Float

Float VC Partners Program

Corporate cards, bill payments, and up to 4% interest to help your business spend, save, and grow.

Float enables Canadian businesses to automate expense management, save time on manual finance tasks, and optimize cash flow by combining corporate cards, payments, and business banking in one integrated software solution.

Thanks to our partnership with Rhino, this means you get access to a modern finance stack with preferred rewards, streamlined credit access, and white-glove rollout support.

To one tool — Float Financial

The Float Ecosystem

Float Business Accounts

No-fee CAD/USD accounts with CDIC insurance, protected in segregated trust accounts. Earn up to 4% interest on every dollar.

Smart Corporate Cards

Pre-funded and credit options with built-in controls, automated expenses, and 1% cashback.

Bill Pay & FX

Automated payables, reimbursements, and industry-leading FX rates.

Float Charge: Unsecured Credit

VC-backed companies often need credit to preserve working capital while keeping funds deployed. Float Charge is interest-free credit for businesses that:

1. **Have 12+ months of runway** (cash / monthly net burn) or are profitable
2. **Maintain $75K+ in cash** or cash equivalents

Application takes minutes. No commitment or KYB required to apply.
